

WELCOME TO OUR FIRST NEW ONLINE NEWSLETTER.

Welcome to Anglia Factors Ipswich Ltd first online newsletter, here we will aim to keep you informed of what is new, and what we are up to within the company.

Britannia road show and live cooking.

Seared Scallops with Pancetta and Asparagus

Is just one of the many recipes that can be cooked on the **Britannia** chef top, for more details visit - **www.Britannialiving.co.uk**, **Pleasure in cooking, Recipes**

If you are thinking of buying a range cooker we have the Britannia road show here on Saturday 13th June with live cooking too. See our events page for more details, it is open to anyone and a small donation to St Elizabeth Hospice would be great.

New Look Website

We have endeavoured to make sure that you find our website informative and trust the lovely pictures will bring some of it to life. We understand that when you decide to undertake major refurbishment projects it results in huge decisions, and we hope that this website gives you an insight into what we can achieve for you. If you have any comments or queries please contact sales@angliafactors.co.uk

New Showroom Launch

Some of you may have noticed that we have altered our logo and branding, our team have spent a great deal of time arranging new signage and van wraps. The final project left is the showroom, in September we will be launching our new showroom that we will be working on throughout the summer. Anglia Factors apologise in advance for any inconvenience, however we feel it is necessary as we are manufacturing new products and so are our suppliers and we need to exhibit them at their best.

Miele Course.

Adam one of our designers, has recently been to Miele where he discovered a lot more about ovens, hobs, hoods and specialist appliances which are combination and steam ovens and coffee machines. The course involved learning how all the appliances work in greater detail which he found 'really useful', so now he can help clients make a more informed choice. The rest of the team are booked to go June.

Miele Cooking Demonstration for St Elizabeth Hospice.

This was a first! Miele have never got involved with Demos before, however after deciding that clients do find them informative they did their first one for us. It proved very popular and we hope they will return soon, keep an eye on our events page.

Looking at appliances and maybe thinking of buying Miele?

If you are considering new appliances why not book yourselves onto a 'Let's do Lunch Day' course at the Miele Experience Centre, you can go online to book at www.miele.co.uk

Neff New Product Launch and Awards March 2009.

We both drove to Wales in March to the Neff New Product Launch and Awards. On arrival they gave us a tour of all the new products, they certainly have been well received and Neff have taken record orders from showroom specialists. We found the appliances had been changed for the better in the design and changes will make a difference such as the slide away door on some of the ovens. We have a Neff cooking demo here on June 20th where you will see the new products in action and you can taste some Neff delights. Click on our events page to confirm your booking, there is no fee and it is open to anyone, just a small donation to St Elizabeth Hospice would be great.

KBB Review Magazine Industry Awards 2009

Anglia Factors Ipswich Ltd - Finalists in Customer Care for Kitchens 2009

A couple of weeks ago we drove down to Excel and attended the KBB Review Industry Awards 2009. Our team were finalists in the secret shopper 'Customer Care for Kitchens 2009'. Sadly we did not win the award but we were greatly honoured to have been selected as one of the top four in the UK, we had a wonderful evening and would like to thank KBB for their hospitality .
